

# Teacher Resource Bank

GCE Modern Hebrew

Key Features

## KEY FEATURES

- This development was driven by proposals in the 14–19 Education and Skills White Paper, designed to reduce the assessment burden and introduce stretch and challenge.
- The Subject Criteria provide a common framework for all awarding bodies which define the assessment objectives.
- Our partnership with Nelson Thornes means that AQA-endorsed resources support these qualifications and teachers can benefit from NT's 'blended learning' approach.
- Teacher Resource Banks and Continuous Professional Development are available to provide more comprehensive support for teachers.
- More appealing and interesting range of topics for students at AS and A2.
- Removal of requirement to demonstrate knowledge of the target language society.
- Choice of two cultural topics from four to reflect an individual candidate's interests.
